**DECAF AVAILABLE UPON REQUEST**

**EXTENSIVE RANGE OF BLUEBIRD TEAS**

**IN £3.50 OUT £3**

**MATCHA LATTE £4**

As the majority of paper cups currently end up in landfill, using a Compostable Cup is an environmentally conscious decision. Our Compostable Cup will break down to nothing reducing the amount of plastic which ends up in landfill.

Increased speed and cost efficiency: no need for a separate sleeve or double cupping.
