### **HIXON 75 £12**

We introduce you to this twist of the French 75, a cocktail that has become a high-society French Madame in the realm of a classic cocktail. Aperol and St Germain Elderflower Liqueur are mixed with Brighton Gin, Lemon Juice and Prosecco.

### **HIXON SUNSET £12**

This cocktail is inspired by the gimlet but with an Asian twist. We use yuzu to add citrus flavour and foam, finished with the floral touch of hibiscus.

### **FEMME FATALE £13**

Femme Fatale, French for "Fatal Woman" is a very pleasant cocktail known for its delicacy. The Chambord Raspberry Liqueur and nutty flavoured Frangelico are shaken with Pineapple and Lemon Juice creating a symphony of intoxicating aromas. The role of distillate is covered by Absolut Vodka.

### **GUAVA MULE £12**

Enjoy this fresh and juicy cocktail inspired by the classic Moscow Mule. Absolut Citron Vodka & Lime Juice are balanced by the Juice of Guava fruit and Fever Tree Ginger Ale for a mix of bittersweet flavours all served in our beautiful copper cup.

### **TIKI TAKA £12**

Break out the paper umbrellas and coconut cups, because it's TIKI season. These tropical drinks will cool you down no matter what the temperature. Bacardi White rum, Tuaca, Almond Syrup, Lime and Fresh Orange juices are shaken together to create a cool Tiki Taka.

### **FLYING SCOTSMAN £12**

This fine slow easy sipper balances the smokiness of Scotch Whisky and the freshness of Cucumber to perfection. Johnny Walker Gold Label Reserve, Hendricks Gin and Amaro Montenegro are gently served on the rocks with fresh cucumber

### **THE LAST MEXICAN £12**

Margarita fans anywhere? Let's add some sparkle with Mezcal and Berries. As they say Oaxaca, Mexico "Para todo mal, mezcal, y para todo bien, también" meaning "For everything bad, mezcal, and for everything good as well". Shaken and served with Crème de Cassis Blackcurrant Liqueur, Agave Syrup, Lime Juice and Egg White.

### **THE VEGAN WHITE LADY £12**

The White Lady is a delicate and fluffy lemon flavoured cocktail that is refreshing and allows the botanicals of the Bombay Sapphire to subtly shine through. Our vegan twist with aquafaba, chilled white tea, honey, a citrus blast of fresh lemon juice, peach and elderflower liqueur

### **BRAMBLE No 5 £12**

A remake of the classic Bramble cocktail originally created in London in the 80's by Dick Bradsell. Wild berry gin shaken with simple syrup and fresh lemon juice layered by a mix of berry liqueurs

### **TOBLERONE £12**

Our take on one of everyone's creamy cocktail favourites, an alternative to your Espresso Martini perhaps, less caffeine for sure! A veil of Toblerone chocolate will cover your blend of Baileys, Frangelico, Tia Maria, Fresh Cream & Honey.

### **MISS SUNSHINE £12**

The base of this cocktail is the raspberries which we liven up by adding Heavy Water premium vodka and lychee liqueur finished with a touch of fresh cloudy apple juice. We make this cocktail vegan but making the foam out of Acua Fava instead of egg white

### **BATIDA £12**

A twist on a Pina Colada, the Batida is a Cachaca based cocktail. In our version it is infused with Kaffir lime leaves mixed with coconut rum, Passoa, pineapple juice, coconut milk and passionfruit puree
